ASSESSMENT AND APPORTIONMENT

The Assessment for Convocation Expenses is the same as last year. It is only needful to ask the Parishes to pay their assessments as early in the year as possible. Don't leave it to the end of the year; it just makes trouble for the Treasurer.

The Diocesan Apportionment for Mission is increased this year by \$500; \$4,000 for our own District Missionary Board for use in our Missionary Work in the Islands, and \$4,500 for our part in the great forward program of the General Church. The new apportionments will be found in the preceding table. It has been necessary in some cases to make increases and in two cases a slight reduction. We hope each Parish or Mission will receive these apportionments loyally and realize that the Apportionment is not meant to be the measure or maximum of effort, but rather the minimum that is absolutely necessary. You will observe that the total of apportionments amounts to \$8,210, which is \$290 short of the amount required; but there are some sources of income which cannot be apportioned. We are depending on these and the fact that some will go over their apportionment to make up this deficiency. The apportionment last year was \$500 short of the amount required; it was made up in the way just indicated.

In the following table is set forth the appropriation by the District Missionary Board for the assistance of our work in the Islands. This is, of course, in addition to the money received from the Department of Missions in New York.

DIOCESAN NOTES

On account of the lack of space many of the reports of the Annual Meeting of St. Andrew's Cathedral Parish have had to be

held over till next month, and some of the material in this number was held over from last month.

A Children's Service, to which adults also are expected, will be held every Friday in Lent at 4 p. m. in St. Andrew's Cathedral. It is intended for all our congregations in Honolulu and for adults as well as children.

Mrs. J. W. Searle, the faithful worker in St. Andrew's Hawaiian Congregation, has had to go to the Queen's Hospital for quite a serious operation. We are glad to say that she came through it finely and at this writing is doing well. She returned to her home a short time ago.

The Board of Directors has received word from the Girard Trust Co., of Philadelphia, that under the will of the late John E. Baird, \$25,000 has been left to the Protestant Episcopal Church in the Hawaiian Islands to be used in the discretion of the Bishop and Board of Directors; but expressing a desire that it may be used for educational purposes.

The Lenten Mite Boxes for the Children's Lenten Mite Box offering were distributed on Quinquagesima Sunday. We hope that parents will help their children to make generous offerings at Easter. This Lenten offering counts on our Missionary Apportionment and constitutes a very considerable part of it. Last year it amounted to \$2,335. Will you help to make it even better this year?

The Rev. E. Guy Talbott spoke at the 11 a. m. service in St. Andrew's Cathedral on Sunday, February 11. His subject was the Near East Relief. It was one of the most straightforward, plain, sane and yet moving statements of the awful conditions of what are known as Bible lands. He made us all feel the need of help. We hope everyone responded according to his ability.

We take great pleasure in announcing that the Vestry of St. Clement's has, with the Bishop's approval, extended a unanimous call to the Rev. W. Maitland Woods to become Rector of the Parish and that Mr. Woods has accepted the call. Mr. Woods has been in temporary charge of the Parish since last September and has rendered most acceptable service.

ANNUAL MEETING OF ST. ANDREW'S CATHEDRAL PARISH

Report of the Secretary

The Annual Meeting of St. Andrew's Cathedral Parish was held in the Davies Memorial Hall, January 16, 1923, and although the evening was somewhat stormy a great number of the Parishioners were interested enough in Church matters to brave the elements.

The Woman's Guild, under the able leadership of Mrs. H. M. von Holt, had prepared a bounteous chowder supper.

The tables looked exceedingly pretty, all being decorated with beautiful arrangements of flowers. A committee, consisting of Mrs. Robert White and Mrs. Soper, a house guest of Mrs. von Holt and a visitor from the Mainland, had the difficult task of awarding the honor for the three best decorated tables.

After supper Bishop La Mothe called the meeting to order for business. The minutes of the last annual meeting being read and adopted the Bishop called upon the various officers of the Parish for their annual reports, and it was indeed an inspiration to listen to the many able reports, especially to those of the earnest, hard-working and really Christian women of the Parish. As the reports will be published in the "Chronicle" it is not necessary to go into detail. They were all regularly received and ordered placed on file.

The outstanding points by the various reports were as follows: The need of more earnest cooperation and coordination in General Church work, as so graphically described by Mrs. A. G. Smith. The need of a larger expenditure for urgent repair work such as the roof of the Cathedral, by Mr. Wakefield. More room,

more teachers, and more interest for the Sunday Schools is the appeal of Canon Ault. Mrs. Kenneth Day, on behalf of the Cathedral Choir, appealed for assistance and hoped that in the near future professional singers would be secured to help out the constant hard workers who give so much of their time to the vital needs of choir work.

Owing to the absence of Mr. Mant, Doctor Hasseltine made a verbal report of the Brotherhood of St. Andrew, stating that the Brotherhood had made a gain in membership in the last twelve months and eulogized Mr. Mant for his untiring efforts to build up the Brotherhood.

Mr. von Holt made his annual objection to the continuance of the same set of Parish Officers and after considerable and spirited debate the following Vestrymen and Wardens were elected:

Dr. J. A. Morgan, Robert Catton, L. M. Judd, W. L. Emory, Thomas Sharp, Guy Buttolph, A. G. Smith, James Wakefield, L. T. Peck, A. F. Wall, R. B. Anderson, Judge Alexander Lindsay, Jr. The Wardens elected were L. T. Peck, Senior Warden, and R. B. Anderson, Junior Warden.

Bishop La Mothe then gave his annual address, and after a rising vote of thanks to Mrs. von Holt and her able assistants for their splendid work in supplying such an excellent supper, the meeting adjourned.

THOMAS SHARP, Secretary.

VICAR'S REPORT

To the Rector and Members of St. Andrew's Cathedral Parish.

My dear Friends:

In spite of the possibility of being misunderstood I must begin my report again this year by making an appeal, and that appeal is for more rooms for our parish work. I know that such an appeal presents a difficulty that at first seems insurmountable but I am convinced that that part of it can be overcome by careful, conscientious thought and consideration. You must not forget that two parishes use these buildings. Both are taking to themselves new vigor and new life. New organizations are being planned and if the present facilities are insufficient now, what are we going to do in the near future? Our Sunday School is handicapped for room, especially the kindergarten. We have money with which to buy new material for this class, but absolutely nowhere to put it when it comes, and so I could go on. So I ask you, in all earnestness, to make this one of the subjects to be considered during the coming year.

I am sure that you have all noticed, with a quiet thankfulness, how much better our services at 11 o'clock on Sunday mornings have been attended during the past year. It is a rare thing now not to have the church filled. If you fully realized what a tremendous encouragement this is to the clergy, I am sure no one would be away from his place on any Sunday except for very urgent cause. Believe me, I personally cannot be too thankful that church attendance is getting so much better.

Another cause for great thankfulness is the number of communions made during the year past. To me this is one of the greatest and truest tests of spiritual life. There have been about 800 more communions made during 1922 than in the then banner year of 1921. In that year there were 5,589 communions made, while in 1922 there have been 6,383. Personally I cannot be too thankful for this. I think it is splendid. And this number does not include those who have attended the services of the Hawaiian Congregation at 9:30 on Sunday mornings. On the whole I think that this congregation has had one of the most successful years in its existence. Of course there are organizations that we would like to see make better progress, but I am glad to say that prospects look bright for a good year ahead.

The Sr. and Jr. chapters of the B. S. A. have been revived and are in a good way to do splendid work.

A company of Boy Scouts has been organized and is likely to become one of the banner troops.

The Sunday School has its ups and downs. There is always in regard to this organization room for great improvement, still I think that this is probably the best year in its existence. Surely I can say in perfect honesty that we have one of the best corps of teachers we have ever had. Nothing seems to be of too much trouble or to be too hard for them, and they seem to be tremendously interested in their work. I appreciate and thank them.

My personal acts during the year are as follows: I have taken or assisted at 736 services, preached in church or made addresses in classes 84 times, and made 1,109 parochial and sick calls.

I cannot stop without, before you all, thanking Bishop La Mothe for his unfailing kindness, courtesy and consideration to me at all times.

And thanking you all for your earnest help and co-operation and commending you to the blessing of God.

Believe me, yours very faithfully,

W. AULT, Vicar.

ST. ELIZABETH'S NEWS.

On the 1st Sunday after the Epiphany, January 7th, the annual meeting of St. Elizabeth's Congregation was called to order by the pastor, after the 11 o'clock service. The meeting was opened with the usual prayers and reports were at once made by the Treasurer and the heads of the different societies.

The Treasurer's report showed the Congregation to be in good financial condition as there was a balance of \$403 with which to begin the new year and all bills paid except the Pension premium for 1922.

The names of 10 men of the congregation were then chosen by the numbers present to be sent to the Bishop from which he was to make a choice of officers for the following year. From the list the Bishop chose the following: Nee Fat Hoe, Warden; Titus Fong Ling, Clerk; W. O. Shim, Treasurer; Moses Tyau, Henry Shim and James Lau, Vestry Committee.

On Saturday, January 21, the Bishop's appointments were announced to the Congregation at the 11 o'clock service and the six young vestrymen four from the choir and two from the congregation knelt at the Communion rail while special prayers were said for their guidance and direction in the work which lay before them. They received a special blessing to this intent and in all it was a very beautiful and fitting manner for these young men to take up their duty as Trustees of the Church.

On Saturday evening, February 3rd, our beloved Bishop met the new Vestry of St. Elizabeth's in the Parsonage at 7:30 o'clock. He spoke on certain matters of business explaining to the Vestry the Apportionment which has this year been advanced \$25, making our share \$275 for 1923. He also spoke of the Clergy Pension Fund and explained that the premiums for the coming year would be shared equally by St. Luke's Korean Congregation and St. Elizabeth's Chinese congregation. After the business session refreshments were served.

The heavy storm which broke upon Honolulu Sunday, January 14th, caused considerable damage to the Mission property. The entire Mission grounds were under water and several trees falling caused damage to roofs and fences. The heavy wind tore off some part of the school roof, but in all we fared more fortunately than some of our neighbors.

A new roof in course of construction on the house of the Rev. Woo Yee Bew, was unfortunately left open the night before the storm and when the rain came in its fury the Woo family were almost driven from their quarters by the torrents of rain which came in upon them, much of their furniture and bedding was badly soaked and due to the long spell of storm they were unable to dry things out.

The families in the compound have been the losers in a number of small robberies, which have taken place recently. The house of Mr. Woo was entered and a number of valuable trinkets stolen. The Tyau King family also lost jewelry and money by a theft which took place in the day time. Someone climbed to the open window and reached into a bureau standing near and took what they found. An attempt was made also to enter the Lau Foo Kau home. This with the ransacking of the Church and the sacristy a month ago, proves the Palama District is not altogether without its share of burglaries.

The buildings of the entire plant are being put in a thorough state of repairs, which was most sorely needed. Carpenters have been working for the past two months on every part of the property. The cost of repairing these many run down buildings is certainly heavy and great economy must be exercised if the Mission, with its limited means will be able to meet the expenditures. The frame for a strong fence about the Church buildings has been constructed, but we are unable to place the heavy wire fencing in the frame for lack of funds. The cost of this fencing

alone being \$175. It may be that some good friend knowing of this may be inclined to help in this matter.

ST. MARY'S MISSION.

St. Mary's Church narrowly escaped being burnt when a six room tenement a few feet from it was completely destroyed by fire. A heavy shower which fell shortly before the fire broke out saved the Church from a similar fate as it made it too wet to catch readily. The heat from the burning building caused four of the Church windows to break and the steam arising from the room gave the appearance of smoke.

All who saw the fire thought that the Church was in flames, although the rain saved us from disaster, we feel that thanks are also due to Blossom who held the hose and kept the side of the Church wet until the heat was so intense that she could bear it no longer and a Japanese man came to her assistance. Then the fire engine arrived and danger was at an end. The trees and foliage around the Church were badly burned. Four Japanese families were left homeless. A mother and her five children slept that night on the floor in one of our schoolrooms.

The heavy wind storm blew down ten trees in our yard and tore and blew out the mosquito wire in both the sleeping porch and the Children's dormitory, putting us to considerable expense.

By weighing and measuring each of the day school children it was found that almost every child was underweight. We have therefore, as advocated by Mr. Emerson, instituted a lunch and rest period in the middle of the morning, not, however, interfering with lessons. Forty-two half pint bottles of milk are taken every morning by the most underweight children. At the end of the month the children were again weighed and more than two-thirds showed a gain—in one case of two and a half pounds and in some others of two pounds.

Little Helen, who lives at St. Mary's, had her tonsils removed and a few days later an artery began to bleed and she had to return to the hospital to have a stitch taken in her throat. We hope that extra milk and rest will help her to gain the eighteen pounds she now lacks of being normal weight for her height.

THE MEN'S CLUB.

The Men's Club of St. Andrew's Hawaiian Congregation at its regular meeting proceeded amongst other business to elect its officers for the ensuing year, with the following result:

President, L. H. L. Hart.
 Vice-President, Victor K. Boyd.
 Recording Secretary, Henry Peters.
 Treasurer, J. B. Mossman.
 Financial Secretary, J. W. Searle.

Much credit is due to the retiring officers of the Men's Club for, not only having kept them together, but carrying on a worthwhile program when without the direction and assistance of their own priest.

However, we even look confidently toward the future, believing it holds one of the brightest of prospects for the Men's Club and the General Work of the Church, which work the Men's Club is so splendidly abetting.

We believe that the present officers form a most efficient and harmonious body which, in itself, argues in favor of splendid work and good results.

Already this year the faces of many "old timers" have been noticed in our congregation, most of which can be traced to the activity of one or more members of the club. No Church club has any reason for existence which does not definitely connect its activities with the Church, from whom it receives its nurture and for whose sake it is brought into existence.

All Hail to the Men's Club, they are doing their duty and more gladly. Your priest appreciates their every effort and earnestly prays God to bless their endeavors.

On January 12th, despite heavy rain and wind over fifty were present at the Annual Congregational Meeting of St. Andrew's Hawaiian Cathedral Congregation.

A splendid cafeteria supper was prepared by some of the devoted women and enjoyed by all.

Reports read by the secretaries of the Women's Auxiliary, The Ahahui Iolani, St. Mark's Mission, and the Vestry, clearly showed that good, earnest work had been carried on during this past year by the said parties.

Many encouraging features were notable. Of particular note your attention is called to the fact that about \$700 was given to the Mission work of the Church. This indicates real life, and we can be sure that God blesses those who give to others and blesses them abundantly.

Our Missionary apportionment—which represents the minimum we are supposed to give—has been raised from \$250 per year to \$400. We expect to go over the top this and each succeeding year.

Much credit is due to those who served on the Vestry last year and the gratitude of the Bishop, Canon Ault, and the Congregation is extended to them. The following men were elected to serve for the year 1923:

Warden, J. W. Searle.
 Secretary, Richard N. Mossman.
 Treasurer, Frank K. Fernandes.
 Committeeman, L. H. K. Hart.
 Committeeman, Edward Hopkins.
 Committeeman, Henry Hose.

These are our leaders and it is not only the privilege but the duty of each member of the congregation to follow gladly and uphold their leaders in the work of the Church. No leader or group of leaders, can do a worthwhile work unless the body follow willingly, trust implicitly and work harmoniously with them. Let us find no slackers in our midst, there is room for no bolsheviks.

WOMAN'S AUXILIARY.

This band of devoted workers held its annual meeting at which time a resolution was passed thanking the officers who served in 1922 for their zeal and efficient work. The following officers were elected for the current year:

President, Mrs. Homer H. Hayes.
 Vice-President, Mrs. Mitchell.
 Secretary, Mrs. J. F. Chalmers.
 Treasurer, Mrs. A. R. Fitzgerald.
 U. T. O. Secretary, Mrs. S. A. Green.

Your priest is most anxious that this auxiliary shall become, as he understands, it has been in the past, the banner auxiliary of these Islands. It can be done, it ought to be done—please do it. He is very proud of the past record of this devoted group of women; but past records should only form a beautiful background for a more glorious production.

Your priest was informed, during the past week, that in past years it was no infrequent occurrence to have from forty to fifty members of the Auxiliary present at the monthly meeting. What an inspiring meeting with such an attendance! It is most sincerely hoped that such an attendance may soon be again recorded. At this juncture may your priest record his earnest wish that some of the ladies at the Cluett House may be found actively engaged in the work of the Auxiliary this year. This organization is the one organization in our whole program which exists solely for the purpose of helping other people. Its activities bespeak in large measure the general tone of the congregation.

God bless each and every effort of the Woman's Auxiliary.

AHAHUI IOLANI O NA WAHINE O HAWAII.

The Guild also held its annual meeting at which a splendid report was read by Mrs. Peters, the secretary. This Guild has done quite a bit of good work during the year 1922. For the year 1923 it has practically agreed to assist the priest in charge in many ways—sewing, for the choir from time to time as may be needed; assisting in the purchase of materials for the Church School; and rendering some financial help to the work at Kapahulu.

Your priest is very grateful to Iolani Guild for the kind way in which they accepted his suggestions as to your program for the current year. He feels that a great deal can and will be done by this devoted little band.

The following people were elected to serve as officers:

President, Mrs. Edmund Norrie.
 First Vice-President, Mrs. Beckley.
 Second Vice-President, Mrs. R. P. Hose.
 Third Vice-President, Mrs. S. A. Green.
 Secretary, Mrs. E. C. Peters.
 Treasurer, Mr. Henry Smith.

Let harmony and good will prevail; have faith and work hard. This quartette never failed and never will. God bless you!

Confirmation instruction will begin on February 2nd. The class will meet in the Men's Room of the Parish House at 7:30 on each succeeding Friday until further notice. Only those who attend at least 75% of all instruction classes will be presented for confirmation.

The Rev. Mr. Ottmann is now living at 186 Sierra Avenue and when needed can be communicated with by phoning 7609.

Due to the illness of Mrs. Holbert, Miss Virginia Holbert had to return, for the time being to Colorado. During her short time in our midst Miss Holbert endeared herself to a goodly number. She was always a ready, willing and efficient worker.

and was of no little assistance to your priest in many phases of his work. In appreciation of their regard for Miss Holbert the Sunday School teachers and children presented her with a little gold ring. May this little token ever keep fresh in her memory her association with us in Honolulu. Anyone desiring to write her may address mail to her at 850 14th Street, Boulder, Colorado.

Kapahulu was indeed hard hit by the recent storm. Our grounds were badly mutilated and covered with debris. Mr. and Mrs. Black as well as Mr. Miller have been hard at work putting them into shape.

Mr. Ottmann is now holding regular services at St. Mark's Mission at 7:30 p. m. Several people from St. Andrew's Congregation have attended St. Mark's at night. This encouragement is appreciated by all. It has been decided by the Bishop, Mrs. Black and Mr. Ottmann to install next September a first class kindergarten. Mrs. Black will, of course, have the general supervision of the work at Kapahulu under Mr. Ottmann's direction. We look for and expect a bright future.

ST. MARK'S.

The recent heavy storm upset considerably the plans of the Rev. Mr. Ottmann for the carrying on of his work at St. Mark's. The roads in the district are quite impassable, so it hasn't been possible to call on all of those interested in the mission and who live on these roads. However, by the middle of February the work will be going as never before. Renewed interest is being shown by the adult members of the Mission now that they have a priest to whom they may look to as their own.

The storm did considerable damage from which we have not yet recuperated. It was particularly unfortunate in timing its arrival the same week with our entrance into the school garden contest. However the children are showing the proper spirit and hope to carry off, at least, second prize.

Five of St. Mark's Scouts made an overnight hike to Kahala carrying full equipment for a two day camp, thus meeting one of the requirements of the first class test.

The First Sunday evening in Lent the Rev. Mr. Ottmann plans to begin his talks on the Church. These talks will be instructive and he hopes that all who are interested in knowing what the Church means or who are interested in becoming Church men will attend. All members of the Hawaiian congregation are especially invited to these services.

ST. LUKE'S KOREAN MISSION.

The annual meeting of the mission was held on the 21st day of January, at 10:30 a. m., Rev. James E. Kieb opened the meeting with prayer and blessing for the whole congregation. He spoke earnestly on the more faithful devotion to God and the shining light of Jesus. He also emphasized the importance of progress for the future. With an expression of sorrow that he was not familiar with the Korean language, the meeting was then turned over to Mr. P. Y. Cho with the final expression of his hopes that the members would lead a good Christian life both in their homes and publicly.

The writer, Mr. Cho, took over the meeting and read the reports of the activities of the mission for the year. Last year there were 32 baptisms, but there was no confirmation class. The congregation, although not small, is comprised of members of small finances. Of the \$10,000.00 needed as a building fund, we were able to raise among the Koreans nearly \$1,500.00 of this amount.

The new officers nominated and sent to the Bishop for his approval are: Warden, P. Y. Cho; Clerk, Chin H. Kim; Treasurer, Ro Pil Kiu. Committee, Kim Moon Kwan, Choi Bong Nai, Hong Chi Ho, Char Sung Chul.

The plan under which the fund for the building matter was raised is as follows: The Korean people are almost all laborers, and it would be very hard to try and raise the money in any other way. Twenty men each pay in \$10.00 per month, making a monthly fund of \$200.00. Fifty dollars of this amount is turned in to the building fund and a drawing is had from a container having the names of twenty men inside. The name first drawn from the container is the man to whom is turned over the remaining \$150. This plan has been in effect now for the past ten months and should be continued during the next ten months, with the results that the building fund will be increased by \$1,000.00. The arrangement is such that after one man draws the \$150.00, his name is eliminated so that he cannot again receive the \$150.00. In other words, each man pays in \$10.00 per month for twenty months and one month out of the twenty he receives back \$150.00, so that his net payment to the fund at the end of twenty months is \$50.00.

The Lord Jesus came to this world not for righteousness but the repentance of sinners that God may help the poor to glorify His name on earth and in heaven above.

P. Y. CHO.

CHRIST CHURCH, KEALAKEKUA.

The Annual Meeting of this Mission was held Friday, January 26th, at the Parsonage. The reports of the various organizations were read by the Treasurer, Mr. Robert Wallace, who reported a balance on hand of \$268.23 of which \$85.74 was the balance of the Automobile Fund upon which, the Priest-in-charge, depends for means to visit those in his charge who are not within walking distance, of which there are many. The treasurer of Christ Church Guild showed a balance of \$434.17, but as this is used to meet such expenses as the upkeep of the Parsonage, telephone and the insurance on Church property, it is not any too much. The Guild this last year also helped largely to pay our apportionment. The Auxiliary reported a balance of \$33.10. The Auxiliary which consists practically of the same personnel as the Guild paid \$100 towards our apportionment besides meeting their other obligations. The Sunday School report showed 22 pupils and two teachers, enrolled, they gave during the year \$21.21 towards our total missionary offering.

The priest in charge was appointed a committee of one to elect delegates to the Annual Convocation, as it appears improbable that any one from here can attend.

The Annual Meeting of Christ Church Guild was held at the residence of Mrs. E. C. Greenwell, January 16th. The principal business before the meeting was the election of officers for this year. Mrs. Robert Wallace was elected President, Mrs. H. Weeks, Vice-President, and Mrs. J. D. Paris, Jr., Secretary and Treasurer, the same officers who served last year, as also in the Christ Church Branch of the Woman's Auxiliary, Mrs. D. Douglas Wallace will continue President and Mrs. R. V. Woods as Secretary and Treasurer.

KOHALA, HAWAII.

The long looked for visit from the Bishop has come and gone. The Bishop visited each Church and preached. During his stay with us the weather was very bad, and it was with some difficulty that we fulfilled our engagements. We hope that the Bishop enjoyed his visit, it was a great pleasure to all of us here to have him with us. We are looking forward to another visit from him in August, and we hope then the weather will be kind to him.

In the January Church Chronicle, it would seem that we did not raise the amount we promised, S. Augustine's being \$31.00 short, this is really not the case, but owing to a misunderstanding we are not credited with some of the money we sent.

The amount pledged for this parish was \$400.00, and we sent for our apportionment and the work in Honolulu, \$473.00.

St. Augustine's pledged \$150.00, and although only credited with \$118.91, sent \$205.91.

The Bishop held two confirmation services during his visitation, confirming in all, thirteen persons.

Again we have to record the death of one of our supporters, Mr. Fred O'Brien, he died very suddenly, and was buried in the Churchyard at St. Augustine's, on January 16th, 1923. He had lived in Kohala for over twenty years.

At Christmas time he always sent one or more cases of apples for the Sunday School Christmas parties. J. W.

PRIORY NOTES.

No doubt others outside the Priory felt as we did this year that the time between Thanksgiving and Christmas was more than a week short of what it should have been. The latter festival crowded upon the former and between the two we had term examinations and gave our usual Junior Auxiliary play.

On the Monday before Thanksgiving the Rev. Mother Eva Mary and Sister Constance Anna arrived in Honolulu homeward bound from China. They stopped at the Priory for two weeks before continuing their journey. With the Bishop and Mrs. La Mothe, Bishop Restarick, Sister Albertina, Mrs. Norton and the Rev. Mr. Freeman and his wife, newly arrived, Mother Eva and Sister Constance were honored guests at our Thanksgiving dinner. This was accompanied by the usual frolic in which grown-ups, vying with each other in the composition of limericks, etc., took as much part as the children; in fact there was quite as much playing as eating that night. One serious note was struck when we rose to sing the Doxology at the close of the dinner, at which time some of us, at least, remembered with thankfulness that among those present at the feast were two who had just returned from the hospital after successful operations for appendicitis.

The Junior Auxiliary play "The Land of Night," scheduled to be given on the night of December 8th had to be postponed until the 16th as the Junior leader, Miss Villio, suffered a painful but not serious accident only a few days before the first date. In spite of the sprained ankle Miss Villio worked indefatigably and the results were highly satisfactory when the play was given to a full house. Charging only 25c the girls took in \$166.75, and

after paying all expenses, and their pledges (which amounted to \$150), the Juniors are left with a small balance with which to start work in the new year. In addition to paying their pledges in full the Juniors have disposed of \$25 worth of Iolani stamps, \$7.50 of which they took out of their funds.

The Christmas holidays started on December 19th and school was resumed just two weeks later, on January 2nd.

Twenty-eight girls stayed in for the holidays; that is, this number slept at the Priory, but many went out almost every day with relatives or teachers. Thanks to the hospitality of Miss Bacon at the Y. W. C. A. beach house, there were unusual opportunities for swimming. One day a party of twenty-four was treated to a whole day and a Chinese dinner there, the treat being provided by a far distant friend of the school known to the smaller group of "summer girls." One evening Bishop and Mrs. La Mothe gave the girls a lovely party; on which occasion we so enjoyed ourselves as to quite lose track of the time, with the result that even the Baby Dormitory children were up until eleven o'clock.

Now we are back at school and at work. We have lost a few girls, but have taken in some others in their places, so our enrollment is practically what it was last term. In this connection the following facts taken from our term report to the Department of Public Instruction may be of interest:

FIRST IMPRESSIONS OF HONOLULU.

My very good friend, the ecclesiastical authority of the District, has suggested that some of the readers of the **Chronicle** might be interested in a brief description of my first impressions of Hawaii. Personally, I doubt it, but as I promised at my ordination service always to "obey * * * and follow with a glad mind the godly admonitions" of my Bishop, here goes:

Perhaps these first impressions of Honolulu fall naturally,—and very alliteratively—under three heads, Hospitality, Healthfulness, and Heat.

HOSPITALITY is a dominant note, from the first moment. When we stepped off the gangplank of the *Wilhelmina* to be decorated abundantly with leis at the hands of the Bishop and Mr. H. A. Taylor, a member of the Vestry of Epiphany Church,

we began to suspect it. When we were so cordially welcomed and entertained at the Bishop's House by him and his most charming wife, the suspicion deepened. And when we were so open-heartedly received in Kaimuki, and presented with a set of china by the ladies of Epiphany Guild, suspicion became certainty, that HOSPITALITY is something of which, in the words of a certain Saturday Evening Post character, "there ain't anything else but" here in Honolulu.

HEALTHFULNESS is the second keynote which Honolulu seems to strike. We had always been told that this was the case, and everything we have seen appears to substantiate it (except the current epidemic of measles). If children lack the rosy-glow cheeks of the youngsters of cooler climes, they compensate for that by the delightful tan of arms and legs which only constant life in the open can apply. Even the old people do not appear haggard or peaked,—a tribute, I am sure, to the world-famous climate of the Hawaiian Islands.

HEAT is something which should be mentioned in a low whisper by the malihini, for he never knows whether this is a hot day or not, until some superior kamaaina scornfully looks out from under a felt hat and blue serge suit at the former's spotless Palm Beach-and-Panama apparel, and growls, "Why, this ain't hot a bit. Wait until July." As for us, with a combination of overcoats and baggage, and the warmest day in November, according to the weather oracle, our first impression was that the Islands are pretty warm, sir, pretty warm. But Kaimuki breezes have retrieved the reputation of that first day, and now we maintain stoutly that "It's just a little bit warm today" as loyally as the oldest inhabitant.

Anyway, we like it, and we think we'll stay awhile.

ST. CLEMENT'S CHURCH.

At the annual meeting of this Parish Mr. Mist announced after the Vestry meeting, that the Rev. Maitland Woods has been appointed Rector by the unanimous wish of both the Vestry and Congregation. After a very fine dinner, provided in the Parish

Hall by the Ladies of St. Clement's, the various reports and balance sheets were submitted. It appeared from these that all financial obligations had been met, but that a slight deficit existed on current expenses.

The reports of the Woman's Auxiliary and Guild were read, and revealed an enthusiasm and devotion to the cause which was indeed praiseworthy. During the past year the Church fabric had been renovated and repaired from roof to foundations at the expense of \$1,054. The total expenditure for the year amounted to \$4,540.70. The financial reports and balance sheets of the Auxiliary and Guild were a separate matter, and reported aids to various Mission work and Church Institutions such as St. Mary's, St. Mark's, Iolani School and the Near East Relief. This ran into some hundreds of dollars, and was not included in the financial report of the Vestry. A course of Mission Study classes were arranged for and will be conducted by Mrs. Massy Royds during Lent. The Bible classes, by the Rector, will also be held in the evenings. The attendance at the annual meeting was large and very enthusiastic.
